

**"Where there is doubt – let me sow faith"**

**St Francis on education and the intellect**

*"Love alone can know God – not the intellect"*

*"Real love can teach in a flash  
-- what a hundred volumes cannot "*

*"There is a defence against learning  
– but there is no defence against love"*

*"Learning is not even knowledge - because facts have to be experienced to be known"*

*"Learning is not wisdom  
- because wisdom only comes when the apprehensions of the heart are joined to those of the  
mind"*

*"Learning flatters a man that is both wisdom and knowledge – but alone it is nothing"*

*"A man's knowledge is no greater than his deeds, and no act greater than love"*
